Customer Care Specialist

Mariken van Gulpen

Head Sales & Development Benelux bij i-surance AG
Berlin, Berlin, Germany

Summary

Junior full-stack web developer with knowledge of HTML CSS
JavaScript Ruby + Rails.

Very motivated to develop my career in web development.

Skilled in setting up and starting new markets for companies and a
passion to enable companies to expand and to develop further.

Experience

i-surance AG

Head Sales & Development Benelux

November 2017 - January 2020 (2 years 3 months)

Berlijn en omgeving, Duitsland

We are driven by our passion and curiosity to constantly develop new
innovative solutions and optimize partner and customer experience. We
specialize in customizing insurance and product solutions to our partner's
specific needs, leveraging our diverse backgrounds and broad mix of
expertise.

unu

Country Manager

January 2016 - November 2017 (1 year 11 months)

Berlin Area, Germany

At unu we are passionate about cities and people. We believe that through
innovation in electric mobility we can help solve existing mobility problems. We
believe that through our creative and unique approach we can connect people
and their cities and enable them to embrace the full potential of urban life.

Zalando SE

Customer Care

2015 - 2016 (1 year)

Berlin Area, Germany

Unie Van Vrijwilligers Amsterdam

Volunteer

2014 - 2016 (2 years)

Amsterdam Area, Netherlands

As a volunteer I helped elderly people and people with special needs with their groceries or I visited them and talked with them about all kinds of things. I did all kinds of activities with them such as going to markets or museums in order to get them out of their homes and isolation. I have always been active in fighting loneliness and am very driven to help people that can not get support from regular governmental agencies.

Helping

Partner Manager

2014 - 2015 (1 year)

Amsterdam

Zalando SE

Offline Marketing

February 2014 - August 2014 (7 months)

Rijksmuseum Amsterdam
